

Gravitate Membership Program

Even top performing websites require maintenance, but do you have the time and expertise to keep your website as fresh as the day it launched? Gravitate's Client Services team is dedicated to revitalizing websites and will work with you as a collaborative partner to ensure your technical changes are carried out when you need them. Whether you're looking for design, development, or ongoing support, we offer everything you need to maintain your website so you can focus on growing your business.

We recommend pairing your website with one of the following packages:

Basic \$375/month

Great for small businesses and organizations wanting to retain a professional maintenance team for making website changes and addressing site issues quickly. Including monthly site backups and priority scheduling with our team of developers, the Basic plan provides peace of mind for site owners.

Enhanced \$750/month

A plan designed for small to medium sized companies wanting to engage in ongoing site maintenance and improvement. The included monthly traffic report and annual SEO Health Report can help your organization gauge the effectiveness of your pages and identify areas for SEO improvement.

Premium \$1,250/month

For companies and organizations wanting an advanced online presence and customer experience, we created the premium plan. Premium members receive an annual User Experience Audit, a dedicated service representative, and 12 hours each month for site updates and improvements.
